Captain Astounding's **MouseTrial.**

Fun online software to help kids with autism

These materials are completely FREE for you to use, reproduce and distribute as you wish. They are ideal for use on autism-related web sites or for inclusion in information packs for parents and carers. Feel free to give away copies to any friends who might be able to make use of them.

chest

bottom

arm

if words are not required, simply cut them off!

ear

eye

foot

Supplied by www.mousetrial.com, creators of fun easy-to-use and inexpensive online software for children with autism. Why not visit and see if MouseTrial can help your child. It's a great way of getting an autism program started or you can use it alongside other treatments to enrich your existing program.
