These materials are completely FREE for you to use, reproduce, and distribute as you wish. They are ideal for use on autism-related web sites or for inclusion in information packs for parents and carers. Feel free to give away copies to any friends who might be able to make use of them.

Fun online software to help kids with autism

Print these medals on metallic peel-and-stick inkjet paper. Then cut them out and use them as rewards or "reinforcers" for work well done!

Supplied by www.mousetrial.com

Creators of fun, easy-to-use and inexpensive online software for children with autism. Why not visit and see if MouseTrial can help your child? It's a great way of getting an autism program started, or you can use it alongside other treatments to enrich your existing program
